

Landis amendment. Senator Schimek.

SENATOR SCHIMEK: Yes, thank you, Mr. President, members of the body. I just wanted to ask Senator Landis or the Clerk, if this is printed somewhere?

SENATOR LANDIS: I can answer that question.

SENATOR SCHIMEK: Please.

SENATOR LANDIS: Senator Schimek, this is exactly what's in your...your Journal under the title AM1323, with the addition of two numbers. And the two numbers cross-reference savings and loans, in addition to banks, as being able to export their credit card fees. For that reason, I didn't ask for the amendment to be printed again, because out of the 16 pages, there's just the addition of two numbers. If the Clerk can recite the page number where 1323 is, it's in the bill...it's in the bill book apparently...

SENATOR SCHIMEK: Thank you very much.

SENATOR LANDIS: ...you can find it there.

PRESIDENT MOUL PRESIDING

PRESIDENT MOUL: Thank you, Senator Schimek. Senator Wesely. Okay. Does...does anyone else wish to speak to the amendment? Seeing none, do you have closing, Senator Landis?

SENATOR LANDIS: Just to review again, national ATM fees are nondiscriminatory with respect to our state nondiscrimination provision. Trust companies acting as a fiduciary and bound by that standard may invest in operations of the trust company. And, third, credit cards, which are sold by banks or S & Ls in this state, may export their...their fees because we have made a legislative determination that such fees are material in the...in the operation of the card. And I would urge the adoption of the amendment and the advancement of the bill.

PRESIDENT MOUL: Thank you, Senator Landis. We will now vote on the motion to adopt the Landis amendment. All those in favor please vote aye, opposed nay. Have you all voted on the Landis amendment? Please record, Mr. Clerk.
